## MINDFULLY SOURCED

At Farmer's Table, you can trust what's on your plate. We proudly serve grass-fed beef; antibiotic-, hormone- and steroid-free chicken, chemical-free shrimp, sustainable seafood, and pasture-raised, cage-free, free-range eggs. We support local farms for fresh produce when available and harvest produce from our own organic garden. We strictly adhere to the Environmental Working Group's Dirty Dozen food philosophy, sourcing only organic produce from their recommended lists. Our breads and pastries are baked fresh in-house daily using only the finest certified organic flours. We eliminated all seed oils and exclusively use "Zero Acre" Oil and Extra Virgin Olive Oil in our kitchen.

Some items may be served raw or undercooked. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions. Your meal may contain traces of flour as we are not a gluten-free facility.
